

— SAFETY MEASURES — AT OUR FACILITIES

We've worked with government and health officials to create our safety standards.
Together we can help reduce the spread of germs.

STAY HEALTHY

If you have a fever
please stay home

FACE COVERINGS

Staff are required to wear masks at all
times and guests are strongly encouraged
to wear masks.

INCREASED CLEANINGS

We are disinfecting high-touch
surfaces frequently

SOCIAL DISTANCING

Practice appropriate distancing
of at least 6 feet

HAND SANITIZER

Sanitizing stations will be available
throughout the facility

GOOD HYGIENE

Cough into your elbow and
wash hands with soap for at
least 20 seconds
